

## TECHNICAL DATA

# Roof Cleaner

### DESCRIPTION

*Recommended uses:*

#### ROOF CLEANER

A major breakthrough in roof wash technology. The proprietary formulation of Krud Kutter Roof Wash contains "Sporex", a unique additive which removes tough stains from mildew, mold, algae, fungus and moss, and leaves the surface completely clean. In addition, special surfactants penetrate the surface to safely and easily dissolve the toughest stains from dirt, oil, grease, bird droppings, tree sap, and acid rain. Even removes gray weathering on wood, chalking, and oxidation.

**SAFE, FAST AND EFFECTIVE ON:** recommended for exterior siding (wood, vinyl, aluminum), roofing, gutters, wood fences and decks, stucco, brick and cement block, masonry, concrete driveways, walkways and walls, even patio furniture, and boats.

COLOR: Clear

PACKAGING/CONTAINERS:  
Available in 1gallon bottle

### TECHNICAL DATA

*Physical Data:*

**CONTAINS:** A proprietary blend of biodegradable surfactants, detergents, and emulsifiers, in a water-based solution. No petroleum solvents, bleach or ammonia.

**FLASH POINT:** N/A  
**SHELF LIFE:** N/A  
**VOC:** 1

### APPLICATION

*Directions for use:*

**FOR BEST RESULTS USE ON A WET SURFACE.**

- Use blower or broom to clear dirt and debris from roof prior to cleaning.
- Do not apply to hot roof. Early morning is best when roof is cool.
- Apply cleaner when little or no wind, and work from the gutter edge to the roof top, as the surface will become slippery. When rinsing, work from the peak of the roof, and work quickly in side-to-side, 6' wide sections.
- From the garden hose, rinse any nearby plants with clean water.
- When applying to aluminum dilute 10:1
- Always apply this product to a cool surface

**DO NOT STAND ON WET ROOF!**

*Exposure to the sun's UV may cause paint discoloration and oxidation on vinyl, aluminum, and wood siding. The removal of dirt and other contaminants by the use of KRUD KUTTER ROOF WASH may highlight this damage.*

**Always test on an inconspicuous area first.**

**Do not mix this product with any other chemicals.**

### AVAILABILITY

Krud Kutter brand products can be found in the paint department of most home improvement, hardware, and paint stores in the US and CANADA. For a list of retailers please:  
**visit [www.krudkutter.com](http://www.krudkutter.com) or call 800-466-7126.**

### DILUTION RATIOS

*(WATER:CLEANER)*

When used in pump sprayer dilute 15:1

### **CAUTION**

Eye and skin irritant. In case of contact with eyes or skin, flush with water for 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. Do not induce vomiting. Get medical attention. Material Safety Data Sheet available.

**DO NOT MIX THIS PRODUCT WITH ANY OTHER CHEMICALS.**

**KEEP OUT OF REACH OF CHILDREN.**
